

CELL TRANSPORT

COMPARISON

Place the numbered statements into the correct part of the venn diagram

1. Requires energy
2. No energy required
3. Water moves from diluted to concentrated solutions
4. Substances move down a concentration gradient
5. Substances move against a concentration gradient
6. Partially permeable membrane
7. Requires a membrane
8. No membrane required
9. Carrier proteins
10. Root hair cell
11. Mitochondria
12. The transport of substances
